In practice, if a partner can recover VAT (regardless whether he actually does or not), all expenditure reported to the programme has to be reported without VAT.

2. ELIGIBILITY OF EXPENDITURE (21/22)

Net revenues

In accordance with Regulation (EU) No 1303/2013 Articles 61 and 65, if a project generates net revenue for example through services, conference participation fees, sales of brochures or books, it must be deducted from eligible costs in full or pro-rata depending on whether it was generated entirely or only partly by the co-financed project. The ERDF funding is calculated on the basis of the total cost after deduction of any net revenue.

2. ELIGIBILITY OF EXPENDITURE (22/22)

Double financing

The aim of the First Level Control is to verify that the specific expenditure is not financed by any other source, national or co-financed. In order to ensure the non double financing, the FLC should:

- Check that all original documents are signed by the beneficiary. The official name of the Programme and the project's acronym, must be indicated on all documents.
- Check that the beneficiary keeps the payment documents in a *separate accounting system* or an adequate accounting code.
- Check that the acronym of the project and the name of the Programme are referred to the contracts.
