CORPS**

Are you an **INTERREG PROJECT** beneficiary or partner? Do you need some **support** with your **project implementation & communication** activities? Would you like to host a young **motivated volunteer** so to make Interreg and its **solidarity/cooperation dimension more visible** among EU citizens?

Then **Interreg Volunteer Youth (IVY) is the answer!**

We financially support the volunteer and cover his/her insurance onsite.

Each experience is of **minimum 2 to maximum 6 months** – we **help** the volunteer with **travel expenses**.

Make a difference in some young Europeans' lives & join IVY now (it is very easy!)
