Municipality of Krumovgrad has established a Center for temporary accommodation of people in need in the implementation of a project: “Integrated approach for social inclusion in BG - GR region by supporting employability and by developing social entrepreneurship”, with acronym “ACCESS FOR ALL”, financed by the Cooperation Programme “Interreg V-A Greece - Bulgaria” 2014 - 2020, subsidy contract № B2.9c.10/31.08.2017.

The Center will contribute to improving the quality of life of people in need of home, in need of assistance to find a home, to find a job, to gain new skills for social entrepreneurship. This social enterprise will be an adequate alternative to solve problems of a certain group in the community - it will satisfy specific daily needs, organize leisure time & provide efficient protection & social integration.

The center is important for the region in view of the fact that the municipality of Krumovgrad is remote from the regional administrative center and at the same time there are people

who need the service that is short-term and low-threshold and it provides the opportunity to cover the basic needs of adults in difficulty.

The service capacity is 21 seats and the maximum usage period is three months.

The Center provides social services to homeless persons over 18 years of age and families with a permanent address in the Kardzhali region, aimed at meeting their daily needs.

The temporary placement Center aims to provide family-friendly care for persons temporarily or permanently deprived of their homes.

The main activities in the center are aimed at limiting the social exclusion of the users in the Center. The activities are aimed at creating conditions for social contacts, household and work placement through:

- Providing an equipped bed in the dormitory in the building;

- Preparation of an individual plan, after assessing the needs of each person accommodated;

- Organizing individual or group consultations of social entrepreneurship;

- Assistance in issuing identity documents;

- Assistance in obtaining pre-hospital, urgent or emergency medical and dental care;

- Assistance for preparing and submitting documents to the NSSI for granting a pension / cash unemployment benefits (if it applicable);

- Assisting in the preparation of the set of documents required to appear before TEMC / NECC;

- Assistance in preparing the set of documents necessary for entering into a specialized institution, appropriate for the health of the respective consumer (if it necessary);

- Assistance in finding a job and / or registering with the Labor Office Directorate;
