Experiential Training on Social Entrepreneurship

17-21/12/2018, Kavala, Greece

On 17-21 December 2018 in Kavala, took place with great success the experiential learning of the first cycle of the "Social Entrepreneurship" educational program, funded by the Cooperation Programme INTERREG Greece-Bulgaria 2014-2020 through the project "Support of Social Enterprises Development and Enhancement of Employment / SoSEDEE ». The activity was implemented by the Department of Business Administration of Technical Institute of East Macedonia and Thrace (project beneficiary 3), which hosts the first social entrepreneurship education program of the cross-border area. In the experiential learning week, participants from Greece had the opportunity to participate in the experiential learning activities, in open discussions with social entrepreneurs' specialists and in business development workshops by academic experts. Through the experiential training they enriched their knowledge and experience in the field of social entrepreneurship. The ultimate goal of the project is to strengthen the employment of vulnerable groups through social entrepreneurship.

The project is implemented by the Municipality of Gotse Delchev (Lead Beneficiary), the Children's Villages of SOS Greece (Aristino, Alexandroupolis branch) and the Department of Business Administration of the Technical Institute of East Macedonia and Thrace.
